2013 - 2014

Train to Win!

Train to Win! is a regional incentives strategy for foster carers. It was established in 2012 to encourage more carers to engage in learning and development opportunities.

The Learning and Development Programme for foster carers is designed to develop skills, improve knowledge and help carers cope with the challenges they face. Each year we try to add new courses and make courses appealing to those engaged in fostering.

Look out for the new Learning and Development Programme in your Trust from April 2013.

If you're not in, you can't win!

Health and Social Care Fostering have teamed up again this year with Hastings Hotels to promote training. The family run business are keen to support our foster carers by providing luxurious prizes for 2013 – 2014.
