

## **Fee-Paid Foster Carers Required**

### **Information Drop-In Sessions on Thursday 19<sup>th</sup> October**

Right now, fee-paid foster carers are required for children and young people in the **South Eastern HSC Trust area**. There are children and young people in our communities living in very difficult circumstances. As a foster carer, you could help brighten their world. Foster carers are ordinary, local people from all walks of life – so don't rule yourself out. If you have a spare room and the time, energy and enthusiasm to provide a caring and nurturing home environment, then we'd really love to hear from you.

#### **Our fee-paid foster carers receive:**

- a fee of £18,000
- additional allowances of up to £9,000
- expert training and full support package

Call in to one of our Information Drop-In Sessions, meet some foster carers and social care professionals and ask all the questions you want. We'll be happy to answer them. And there's no obligation.

Information sessions will be held on: **Thursday 19<sup>th</sup> October** between 6.30pm and 8.30pm at:

- Millbrook Lodge Hotel (Stag Room), Ballynahinch
- Tesco Castlebawn, Newtownards (Community Room)

**For more information, call us on 028 9127 0672.**
