

The Family Placement Service in the Southern Trust welcomes anyone interested in fostering or adoption to an information evening in celebration of Foster Care Fortnight™. The event will take place on Tuesday 22nd May 2018, 7.00-9.00pm at The Junction, 12 Beechvalley Way, Dungannon, BT70 1BS (beside Tesco). The event is open to all members of the public.

If you are resilient, flexible and have the time and energy to care for a child, come along to our information evening to find out more. Talk to experienced carers, meet with social workers, and learn more about specific children who need a permanent home through long-term fostering or adoption. The event will also share information about emergency, respite, short-term and intensive support foster care.

Representatives from the Short Breaks scheme (short term fostering for children with a disability) and STAY scheme (supported lodging for young people aged 16-17) will also be present.

Foster carers come from all walks of life. We welcome enquiries irrespective of age, race, religion, language, culture, gender, disability, or sexual orientation.
